Graduates meeting both criteria will be provided with both gold and red cords to wear throughout the commencement ceremony.

Prospective students can enroll at any time during the college year and be eligible to start classes on the next scheduled entry date. The next section lists the starting and completion or graduation dates for all programs offered at WTC. The college will try to accommodate the student’s chosen start date and preferred class schedule, but due to the limitation of the college’s facilities, the college’s overall enrollment scheduling, and/or inadequate enrollment as determined by the college at its sole discretion, the college may at any time:

(I) Reschedule student’s chosen start date;
(II) Assign the student a non-preferred class schedule; and/or
(III) Cancel the program.

If the college cancels the program, the enrollment agreement will have been effectively cancelled by the college. If a student’s chosen start date is rescheduled, the student may re-enroll in the program for a different start date. If a student is assigned a non-preferred class schedule, the student may cancel the agreement by delivering written notice of cancellation to the college prior to the student’s scheduled start date. If the student does not cancel the agreement by delivering written notice of cancellation to the college prior to the student’s scheduled start date, the student will have accepted and agreed to his/her assigned class schedule.

**Formal Graduation Dates for 2018 are as follows:**
Friday, June 15, 2018
Wednesday, December 12, 2018

Graduates with exemplary academic records and/or attendance are recognized during the ceremony. Graduates who achieved a CGPA of 4.0 are provided with gold cords; graduates with an overall program attendance of 98% or above are provided with red cords. Graduates meeting both criteria will be provided with both gold and red cords to wear throughout the commencement ceremony. Graduates who are veterans or active duty military are also recognized during the ceremony and are provided with red, white, and blue honorary cords to wear throughout the commencement ceremony.
